You're Invited!

Connect and collaborate with IKC and immunization partners in your community!

Virtual options available for all meetings.

At the meeting, you can:

- Learn about IKC engagement opportunities
- Listen to KDHE share about vaccine statutes and requirements, how to find data, the role of the state health department during vaccine-preventable disease outbreaks, and the current situation nationwide
- Learn about KHI's ECHO Webinar Series on Immunizations in Kansas
- Understand how we can promote community immunity together
- Share local immunization barriers, challenges, and successes with others in attendance
- Visit exhibitor tables
- Enjoy refreshments and more!
