"Someone You Love"  
USD #501 Video Project 2017

- Pass out pre and post test, and pens.
- Explain that students should only fill out the front page at this time. Read the 1<sup>st</sup> paragraph and the first question.
- Pass out note cards and explain to the students that they can write down any questions they might have during the movie and we will send the answers back to their teacher.
- During the movie count the number of students.
- Observe students reactions during the movie and jot down notes.
- At the end of the movie instruct the students to turn over the pre and post test and answer the questions on the back.
- Pick up tests, pens and note cards.
