

Working together to protect all Kansans from vaccine-preventable diseases.

### Who We Are

The Immunize Kansas Coalition (IKC) represents over 40 organizations including primary care, oncology, public health providers, medical associations, public health researchers, and educators working together to improve vaccine rates and protect Kansans against vaccine-preventable diseases.

### IKC's Current Goal

To focus on improving access to and rates of adolescent immunizations, playing special attention to HPV and meningococcal vaccination rates.
