## Contact and Preferences Info Update – Fall 2020

Please complete the [Info Update form](#) to ensure that IKC has your most current contact information, that we are sending you information you want to receive, and to let us know which Strategic Team you prefer to be on.

## Data Dashboard Updated

The [IKC Data Dashboard](#) webpage has been updated with the latest NIS-Teen and NIS-Flu data available. See vaccination rates for HPV, MenACWY, and teen Tdap in 2019 and rates for flu vaccination for the 2019-20 flu season!

## Follow IKC on Social Media!

Follow us on [Facebook](#), [Twitter](#), and [LinkedIn](#) to see posts about upcoming webinars, trending immunization news articles and breaking studies, new resources from national immunization partners, and fun immunization messages to share with your online communities. All for the low, low price of a follow or like 😊

## Join the Stronger Campaign

Whether you're interested in tracking misinformation, flagging misinformation, or just want to show support for vaccines and science, you are needed now more than ever. Learn more and sign up at [Stronger.org/Join](https://Stronger.org/Join)

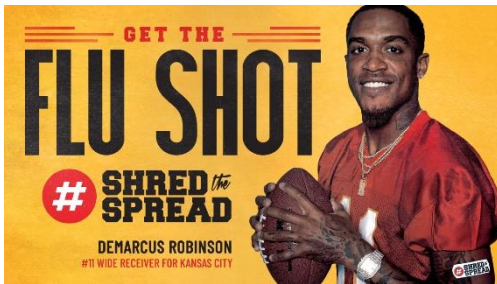

## HPV and Flu Training Modules – Now with CE!

The IKC Training Modules for HPV and Flu were developed for health provider audiences with the goal of increasing HPV and Influenza immunization rates. **Free Continuing**

**Education (CME/CNE) credit is now available for these training modules!** Find these modules and resources to share them on the [IKC Training Modules](#) webpage.

## #KansasFightsFlu

We are in flu season! Resources are posted on the [#KansasFightsFlu](#) webpage to help you spread the message to get a flu shot, make a strong flu vaccine recommendation, plan a flu clinic during a pandemic, and more. New materials from the KDHE **#ShredTheSpread** campaign featuring **KC Chiefs wide receiver Demarcus Robinson** have been posted!

## Interested in becoming an official member?

Or not sure if you or your organization are already a member? Reach out to [Connie](#) to learn more about membership! IKC has no dues and simply asks that members be involved in the coalition by contributing their time and expertise to work on increasing immunization rates in Kansas to protect all Kansans from vaccine-preventable diseases.
