# Welcome!

Geovannie Gone, LMAC, MPH, Immunize Kansas Coalition (IKC), Executive Director, is excited to welcome you to Entre Mujeres: The Health of Women.

**Mission:** Working together to protect all Kansans from vaccine-preventable diseases

## About the Event:

Entre Mujeres is an empowering conference focusing on the health of women. It brings an engaging approach to educate all women on preventive health measures for themselves and their children, including prenatal care, maternal/infant health, and health screenings. Women will learn how we can work together to prevent infant mortality, how to protect themselves against breast cancer, and about the HPV vaccine's proven protection against six HPV-related cancers, including cervical cancer.
